2. AI System Usage Declaration (AI)

AuditAI Claim Review System v2.0 is employed to assist in the processing and evaluation of insurance claims.

- Decision Transparency: AuditAI uses policy data, vehicle condition, historical claims, and incident reports to evaluate claim validity and estimate coverage. All decisions are logged and explainable.
- Non-Discrimination Pledge: This AI system does NOT use race, gender, age, income, or disability status as decision factors.
- Consumer Rights: You may request human review of any claim decision made by AuditAI. For appeals or concerns, contact our Claims Ombudsman.

3. Insurance Terms

Coverage: Collision, Comprehensive, Liability

Deductibles: Collision - \$500, Comprehensive - \$250

Coverage Limit: Up to \$50,000

Special Clauses: AI-assisted claims handling clause

4. Compliance Statement

- This policy complies with NAIC AI Governance Bulletin.
- Conforms with Canadian PIPEDA and U.S. CCPA regulations.
- Cross-border regulatory alignment affirmed.
